

Warning: Spoiler Alert

On the next page of this document you will find a refill guide for EXIT® Advent Calendar — The Missing Hollywood Star.

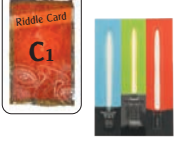

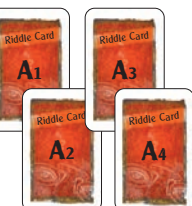

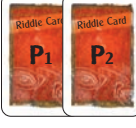

You do NOT need this refill guide to play the game.

It will also NOT help you solve the puzzles. You ONLY need it, if, during the game you get the impression that puzzle cards or strange items are missing or have slipped into the wrong room. At that point you can use this refill guide to check.

Warning: Have the calendar checked **by someone who is not involved in the game** to avoid spoilers!

DO NOT read the next page if you want to play the game yourself!

IMPORTANT! Make sure that the vertical bars with the correct colour markings are in the right place!
