	14	15	16	17	18	19	20

## ARBON

Guardian from the Black Archives Rank 50

**Special ability:** Arbon must roll his dice one at a time (see archer). He can also attack a creature from an adjacent space. Before a battle against gors, skrals, and wardraks (but not the final adversary), he can move the creature's strength point indicator 1 space to the left. That also means the reward will drop.

# TALVORA

Guardian from the Black Archives Rank 50

**Special ability:** Talvora must roll her dice one at a time (see archer). She can also attack a creature from an adjacent space. Before a battle against gors, skrals, and wardraks (but not the final adversary), she can move the creature's strength point indicator 1 space to the left. That also means the reward will drop.
